

1301 Final Exam

For the Final we will be taking a Multiple Choice Exam, please bring a standard sized scantron to the exam. Multiple Choice questions will come from chapters 13-15 in your textbook.

Essay Questions

Besides planters and their slaves, the population of the antebellum South included plantation belt yeoman, upcountry yeoman and poor whites. Characterize each group, describing their relationship to the planter class, their aspirations and their views on slavery.

Briefly describe the major events of US expansion from the Louisiana Purchase (1803) to California Gold Rush (1849). Which sections of the country were opposed to expansion and why. How does the institution of slavery fit into the debate over expansion? (Missouri Compromise, Texas and Mexican American War, California Gold Rush, and Compromise of 1850)
