

History 1301 Exam I Review

Possible Essay Questions:

1. The labor system that existed in Virginia until the 1670s profoundly influenced nearly every feature of Chesapeake society. Identify the sources of labor and explain the major characteristics of this labor system. Explain the conditions that caused this system to flourish. Discuss the effects of this system on Chesapeake society up to the 1670s.
2. Following the Seven Years War, England began taxing the colonies and placing restrictions upon settlement beyond the Appalachian Mountains. Using specific examples, explain the actions English leaders took between 1763 -1765 and why they adopted them. Did England's efforts achieve its goals? Why or why not?
